Presbyterian Disaster Response

PDA is in communication with the presbyteries affected by the wildfires in California. So far, we are aware of one Presbyterian church destroyed (Pacific Palisades Presbyterian Church) and several more are threatened. We will know more once the fires are contained and evacuation orders have been lifted. We pray for all lives affected, for swift containment

and the safety of first responders. Please consider supporting our response to these devastating and unprecedented fires: <https://pcusa.org/donate/dr000165-us-wildfires>
